

making medication manageable

Supporting Pharmacies and Patients during COVID-19

Medication Delivery Services Now Available

- Provide customers with home delivery via the App, using your own driver, Kings Transport or Australia Post.
- Free same-day delivery with Kings during COVID-19 for eligible patients.
- Simplified claiming for COVID-19 Home Medicines Service available via PlusOne from 14 April 2020.

Communicate With Patients Remotely

- There is no better time for patients to join and use MedAdvisor
- Use SMS Activate, a bulk messaging service inviting patients to download and register for the App. Free until 30 April.
