

PHARMACY UPDATE ON COVID-19

As the COVID-19 pandemic continues it is very important that all of us follow Australian Government Guidelines and practice social distancing and self-isolation where necessary.

With Pharmacies being a vital part of the local community and an essential service, it is important that pharmacy workers are protected, as well as those who service them.

To aid with social distancing the Purveyance Retailer Marketplace can be used to contact the companies below, as well as place stock orders (direct and turn-over) for their products 24/7. This will accommodate conformance to the 1.5M social distancing rules.

Aero Healthcare

Essity (formerly BSN Medical)

Key Sun Laboratories

Nova Pharmaceuticals Australasia

OzDent Australia

Roche Diabetes Care Australia

Sigvaris by Garnet Medical

Smith & Nephew

If you haven't yet registered in the marketplace (it's free) then use the following YouTube videos to help get started:
