

Thank you

for making a real difference

Not all superheroes wear capes, but they do wear white Ben Caseys...

On World Pharmacists' Day, we want to celebrate all the Pharmacists out there. Thank you for lending an ear, reassuring the community and vaccinating the nation. Your genuine care doesn't go unnoticed.

On 25 September – and every other day – we're dispensing thanks for your kindness, compassion, patience and hard work!

We're proud to be part of the 'pharmily'.

The Priceline Pharmacy team
